

Shahrood University
of Technology

Center of Excellence in
Digital Processing System

ICSPIS 2019

5th Conference on Signal Processing
and Intelligent Systems

Topics of the conference include

Signal Processing - Image Processing - Voice and Speech Processing - Data Hiding - Machine Vision - Pattern Recognition and Analysis - Data Mining - Intelligent System - Intelligent Electronic Networks - Soft Computing - Computer Networks

Conference Steering Committee

Program Chair

Prof. Hamid Hassanpour

Scientific Committee Chair

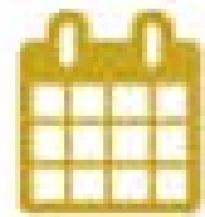

Dr. Alireza Ahmadyfard

Head of Center of Excellence in Digital Processing Systems

Prof. Hassan Ghafourifard

Chairman of Permanent Committee of Conference

Prof. Karim Faez

18-19 DEC

Shahrood University
of Technology
